Funding Year: 2006  
Applicant Names: Leake and Watts Service, Inc  
Entity Numbers: 11118  
Form 471 Numbers: 522053  
Funding Request Number: 1438754, 1438781, 1451648

**Background:**

I received a FDCL on September 19, 2006 that denied FRN's 1438781, 1451648, and 1438754 because "This FRN is a request for a Telecommunications Service from a carrier that does not provide telecommunications on a common carrier basis."

I realized that I had mistakenly but in the wrong SPIN for these FRN's. On September 22, 2006 I called the SLD to ask if I should appeal this decision or put through a change on the 471 RAL (Bishop Perry order) as I did not go through any PIA on this application and had no contact with the SLD on this matter.

I was told to copy that last page of the FDCL and correct the SPIN, mark the top of the page FCC-06-54 Correction and fax it to the SLD. I did so on September 22, 2006. (Please see attached documentation)

On October 13, 2006 I called the SLD to check on this and was told "we got the FCC change. It is in progress".

**Conclusion:**

By this appeal, we ask the Commission to review to above and overturn the USAC's denial of funding for Funding Request Numbers 1438754, 1438781, 1451648.

Sincerely submitted,

  
Janice Meyers

Your Correspondence Received: March 05, 2007

Our records show that your appeal was postmarked more than 60 days after the date your Funding Commitment Decision Letter was issued, as shown above. Federal Communications Commission (FCC) rules require applicants to postmark appeals within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal.

If you believe there is a basis for further examination of your application, you may file **an** appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be POSTMARKED within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.
